Grant we are waiting for the actual contract before we decide what to list as our items we need.

**Parents** – gear is still left 2 bags, shirts. We will continue our email list so people can find out about the meetings and happenings of the team.

**Marketing and Advertising** –programs we need to have someone willing to handle this but we need more people to help by getting advertising. After our initial meeting in fall we need to begin. If someone donates they get free advertising. Ritz, Ham-Fam, Yocco's are all possibilities. We should have the kids think about making a tasteful calendar and we can place orders and have ready for Christmas.

**Old Business** – Grants should be applied for –watch dates.

**New Business** – Sally Trexler is willing to run for President/V.P. and possibly as a combination with Brenda Wertman

Chris Dakes and Joe Dakes will think about helping with the posters and programs. This will be discussed further in fall.
