CAREER AWARENESS MONTH**

DATE: Thursday, November 17, 2005

TIME: 9:05—10:00 am

LOCATION: William Allen High School
126 North 17th Street

BRIEFLY: The Lehigh Valley Workforce Investment Board, Inc., Lehigh Valley Business/Education Partnership, CareerLink Lehigh Valley and the Society for Human Resource Management-Lehigh Valley Chapter, have partnered to make November **LEHIGH VALLEY CAREER AWARENESS MONTH**. Lehigh Valley businesses and organizations are opening their doors during November for student tours, which will highlight Lehigh Valley's industry clusters, the numerous occupations within these clusters, and career ladders at these employers (see attached calendar).

The purpose of Career Awareness Month is to focus attention on career awareness and career options within industry clusters in the Lehigh Valley. The second component of Career Awareness Month is Health Career Awareness Week, November 14-18. This State-sponsored effort promotes career opportunities in health care, such as nursing, direct care, pharmacy, medical imaging, clinical laboratory sciences and respiratory therapy.

William Allen High School Health Care Panel is part of the Career Awareness month.
