CANARIES LIGHT UP 17TH STREET FOR LIFE

DATE: Saturday, May 16, 2009

TIME: 6:00 p.m. – 10:00 p.m.

LOCATION: William Allen High School
126 N. 17th St.

BRIEFLY: The Canaries need your help. “Canaries for Life,” a Relay for Life team representing William Allen High School, is hosting a Community Celebration of Hope on Saturday, May 16th. The community celebration is an effort to raise money for the American Cancer Society.

The Community Celebration of Hope will take place on the lawn surrounding William High School from 6:00-10:00 p.m. The goal is to decorate 1,500 luminary bags – enough to line the perimeter of the school. At 6:00 p.m. the community will be invited to decorate bags, draw on the sidewalks and participate in face painting. The luminaries will then be lit at 8:00 p.m., which will mark the beginning of a two hour moment of reflection.

Donations of any size are appreciated and will be collected throughout the Community Celebration of Hope. The team members of “Canaries for Life” will hand over the donations to the American Cancer Society when they participate in the Relay for Life on May 30th.
