SECTION: FINANCES

TITLE: DISTRICT AUDIT – PUBLIC ACCESS

ADOPTED: 11/16/00

REVISED:

## 619. DISTRICT AUDIT – PUBLIC ACCESS

SC 408

The Board recognizes the importance of the right of the public to have access to the public records of the District. This includes public financial records. The public has the right under law to inspect the annual audits conducted by the District's independent auditor and the Commonwealth's Auditor General's Office.

The Board also recognizes its obligation as an elected body to represent the best interests of all of its constituents. Therefore, the Board shall make the results of the audits by both the District's independent auditor and the Commonwealth's Auditor General available to the public at the Business Office of the District.

The Board believes that the two available audits provide adequate safeguards for the public interest; therefore, special audits by special interest groups are not permitted.
