

DISCOVER THE ASD VIRTUAL CAMPUS

We are excited to expand our Virtual Campus to grades K-12 starting in the 2020-21 school year!

While the Allentown School District has offered the Virtual Academy to middle and high school students since 2014, we are expanding the ASD Virtual Campus to provide anytime/anywhere education to all K-12 students.

Over time, the ASD Virtual Campus has become increasingly popular among students and families, who appreciate its flexibility, rigor and focus on student success. Students can take part in ASD sports, clubs, prom, choir and a range of other extracurricular activities. Graduates receive an ASD diploma and can walk across the stage with their peers during our commencement ceremony.
