I have received a copy of the Allentown School District official 2020-2021 Student & Family District Handbook and have reviewed it with my son/daughter.

I will maintain up-to-date home, work, and emergency numbers/contacts at the school. I will also provide photo identification when visiting an Allentown School District school.

I understand the Attendance Policy (Policy #204), School Uniform Policy (Policy #221.1), Transportation Video/Audio Surveillance Policy (Policy #810.2) and the possible consequences for my child if any are used on school premises.

Welcome to the 2020-2021 school year in the Allentown School District!

This official Student and Family Handbook of the Allentown School District provides every student with an overview of key policies and sets the boundaries to establish a safe and nurturing learning environment for all students. Each student is asked to use this guide in a way that will reflect our core values of excellence, partnership, and equity. Parents and guardians are asked to review this booklet with their child, then sign and return the Parent/Guardian Pledge Form as an of this review. The form can be found on page 1 of this booklet or in your school’s main office.

We know that the last school year was unlike any other. We return to school this year in a few environments, where more than ever before, we must work together as a community to ensure the health and safety of families and our staff.

This year, several key updates in the handbook include:

- **Page 5**: Updates from the PA Department of Education regarding the PA Compulsory Attendance Law (Pennsylvania Public School Code 24 P.S. 13-1327) states that all children ages 6-18 years of age must be enrolled in school or an approved home education program.

- **Page 6**: ASD is committed to being as transparent and communicative as possible. It is critical that our families stay engaged with our schools so we can contact families in the event of an emergency, in addition to regular updates about what is happening in your school community.

- **Page 24**: Connecting parents directly with their child’s grades and attendance information has never been easier! This page now has detailed instructions (under Student Information System) on how to set up an account in our Sapphire Parent / Community Portal.

- **Page 27**: In a digital world, we know our students may be at risk of cyberbullying. ASD’s bullying policy was recently updated to reflect a clear and defined process for reporting incidents of bullying and creating a safer school community for all.

We are excited to learn and grow with you this school year.

Thank you,

Thomas Parker          Sara Jane Brace

## Regular School Attendance — It’s the Law

PA Compulsory Attendance Law (Pennsylvania Public School Code 24 P.S. 13-1327) states that all children ages 6-18 years of age must be enrolled in school or an approved home education program.

*If your child is attending school regularly, thank you.*

**If your child is absent from school:**
- You MUST submit a written excuse with the reason for the absence within three (3) days of your child’s return to school.

**If you do not notify your school of the absence:**
- Your child will be marked illegally absent.

*After four (4) illegal absences families will be invited to participate in a meeting with school staff to create a School Attendance Improvement Plan. If attendance does not improve, there may be consequences that are as severe as:*
  - Referral to the Office of Children and Youth Services.
  - Citation via the local Magistrate’s Office
  - Sanctions by the Lehigh County Assistance Office.
  - Unexcused late to school is considered an infraction under the Student Handbook.
  - Arrest, fines and/or incarceration.

If you need help, please contact your child’s school.

* Applies to Kindergarten as well.

## Kindergarten Requirements

Children five (5) years old on or before September 1, and who live within the Allentown School District, should register for Kindergarten before the first day of school. Ask at your neighborhood school or check the Allentown School District website to find when pre-registration is scheduled.

The following is required at registration:
- Proof of Immunization: shot records.
- Proof of Birth: birth certificate, baptismal certificate, passport, green card, hospital birth record, notarized statement with birth date.
- Proof of Residence: lease, utility bill or service agreement for gas/oil, electric, phone, cable TV or notarized statement from parents with current address.
- Children are required to be present at registration with a parent or legal guardian.
Child Nutrition Services

Child Nutrition Services understands that good nutrition is essential to a student’s health and development. We encourage our students to eat nutritious school meals in an effort to enable each student to concentrate and learn.

School Meals

Breakfast and lunch are served at no cost to all students regardless of income.

The Allentown School District falls under the Community Eligibility Provision (CEP) – a provision from the Healthy, Hunger-Free Kids Act of 2010 that allows schools and local educational agencies (LEAs) with high poverty rates to provide free breakfast and lunch to all students. CEP eliminates the burden of collecting household applications to determine eligibility for school meals.

Menus and Nutritional Information

Child Nutrition Services monthly menus and menu nutritional analysis can be found on the ASD and each individual school’s website by clicking the menu tab or by going directly to: https://www.allentownsdo.org/departments/child_nutrition_services/Menus.

Notification of an Emergency at School

The most immediate method of communication in the event of a school emergency, delayed opening or building closure is a voicemail and email notification via School Messenger to parents, guardians, and staff who provide the District with an accurate and accessible phone number and email address.

To ensure that you receive all communication in a timely manner, please contact your building principal and request that your emergency contact information is updated in all District computer systems, including the School Messenger Notification System.

When appropriate and for delays, closings or other emergency information, ASD provides information to trusted news outlets such as the Morning Call and WFMZ. Closures or delays will also be posted on all District and school websites (www.allentownsdo.org), and District/school social media channels.

School-wide Positive Behavioral Intervention & Support (PBIS) System

A positive behavioral intervention and support system is a set of procedures to address school-
wide issues to support student success. It is a universal system for all students in the building.
School-wide PBIS is about improving classroom and school climate while maximizing academic
achievement with these goals:
1. Establish and define clear and consistent school-wide expectations.
2. Teach the school-wide expectations to students.
3. Acknowledge students for demonstrating the expected behaviors.
4. Develop a clear and consistent consequence system to respond to behavioral violations.
5. Use data to evaluate the impact of school-wide efforts.

Restorative Practices (RP)

As an ongoing part of the District’s commitment to cultivating a culture in which students feel safe,
valued and nurtured, the district will continue the process of implementing Restorative Practices
(RP) K-12. Restorative Practices is an emerging social science that studies how to strengthen
relationships between individuals as well as social connections within communities. Restorative
Practices provides a structure for responding to issues and problems by involving all participants
in developing solutions. The Restorative Practices mindset helps schools to reduce and prevent
harmful behavior by improving climate and building healthy relationships.

Comprehensive Suspension Program (CSP)

A systematic continuum of support... Fundamental components of resiliency include a classroom design that offers CLEAR and CONSISTENT BOUNDARIES. Age-appropriate expectations are displayed and taught, in the classroom norms are established, policies are consistently implemented, and procedures are followed. The teacher TEACHES “LIFE SKILLS” within the context of the classroom, establishes cooperation from students by utilizing healthy conflict resolution strategies, problem-solving and decision-making skills. Life skills are taught directly and reinforced proactively to ensure a healthy climate for learning. In the event that challenging behaviors occur, the staff will utilize the CSP model as a consequence/intervention system.

Alternative to Suspension (AtS) Model
AtS is a progressive system of consequences: 1-3-5-5 (school-based)
The principal will delegate the first three incidents for Level III offenses. Severe and/or persistent violations of the school policy and rules could result in a possible referral to AEDY (Alternative Education for Disruptive Youth). A team review meeting including parent/guardian will determine next steps.

Transfer Students
Upon enrolling in the school district, new students should immediately receive uniform guidelines. If parent(s) or guardian(s) indicate a financial hardship in compliance with uniform guidelines they should discuss with the building administrator or support staff. Schools should make every effort to support family, including utilizing items in uniform bank.

Exemptions/Accommodations
Religious/Medical/Special Needs Exemptions: If the parent(s)/guardian(s) of a student has what they consider a bona fide religious belief or medical or special needs situation which precludes strict adherence to this policy, the student’s parents(s)/guardian(s) may fill out the appropriate waiver form and submit all other documentation reasonably requested by the administration to establish their exemption. Forms are available in each school’s main office.

- Parent(s)/guardian(s) requesting an exemption from the guidelines will be required to meet with the school administration and/or designee to discuss the guidelines and the nature of the circumstance necessitating a waiver.
- Following the meeting, the building administrator and/or designee shall render a written decision, approving or denying the requested waiver. Any exemption from the guidelines granted by the building administrator and/or designee shall be limited to the minimum variance from the guidelines necessary in light of the specific, bona fide religious, medical, or special needs situation, which precludes strict compliance. The exemption as allowed will be clearly stated.
- Paperwork regarding the request for exemption shall be noted in the Student Information System (Sapphire-Notes) and placed in the student’s permanent folder. Documentation for special needs students shall be placed on the student’s IEP or 504 Plan. Medical exemptions can be documented and kept in the child’s health record and/or 504 Plan.
Religious exemptions: Examples of these can be the use of religious headwear such as a hijab (women) or Kufi and/or Turbin (men). Recommendations for administrators would be to allow such headwear as long as colors match the color palate of the school uniform policy at each level. If specific colors/patterns are requested to be worn by the student then documentation must be required that explains the request.

Students with Special Needs: Examples of accommodations could be the use of alternative materials based on sensory needs or use of elastic waist pants for toileting needs. These accommodations should be allowed and documented in the students’ IEP. Every effort should be made to have students follow the color requirements at each level, regardless of accommodations.

Consequences for Non-Compliance of Uniform Policy
The Allentown School District and its staff recognize that there may be circumstances that occur when students are not in compliance with the uniform policy. The following is a guide for non-compliance of such infractions, however the building administration and/or designee should make every effort to investigate, support, and communicate with families to resolve issues related to non-compliance of uniform procedures before administering any documented disciplinary infraction.

Upon the first and second infraction:
• Student may be removed from classroom until a change of dress can occur
• Parent/Guardian contacted
• Warning given
• If parent/guardian cannot provide uniform, student may receive uniform for temporary use

Upon the third and subsequent infractions:
• Student removed from classroom until a change of dress can occur
• Parent/guardian contacted
• Referral may be made to Student Assistance Program (SAP)
• Student may be assigned a consequence at the administrator’s discretion.
• Students repeated violations of uniform policy will be considered guilty of defiance (Level II infraction)
Grading Guidelines &
ASD Policy Summaries

Middle School and High School Grading Guidelines

The Allentown School District is committed to providing a high quality, standards-aligned, rigorous, and well-rounded education to the students of Allentown. The grading process should be equitable across schools and content areas. Grades should enhance learning and represent knowledge and skills in that content area. Contact your child’s school for more information.

We believe:
- Students should have multiple opportunities to demonstrate knowledge and skills.
- Students and parents/guardians should have a clear understanding of how grades will be earned.
- Students should have multiple assessments prior to the final product in a class or course.
- Students should receive meaningful feedback in a timely manner.

Homework/Late Work Guidelines

Homework
Homework is an important component of academic success used to practice, maintain and develop skills. It may be used as a follow-up to a lesson, as a skills reinforcement, and/or as independent practice to maintain mastery of skills. The amount, frequency and purpose of homework will differ by content area and course.

Late Work Policy
If a student is absent, it is the student’s responsibility to find out what has been missed. Late work will be accepted with penalties.

Student Information System
The District utilizes a student information system known as K-12 Sapphire. Please go to your school’s website, click on the “Parents” tab, then click on “Parent Portal” to access and/or register you and your child. Contact your child’s school for more information. Student grades are accessible for monitoring through the Parent Portal.

- **Absence** means a student’s non-attendance on any school day or one-half school day.

If you are having attendance issues with your child, please contact your school. Contact information is on page 7 of this booklet.

Bullying/Cyberbullying

This policy explains why a safe school environment free from bullying is necessary for students to learn and achieve high academic standards. For the purpose of this policy, bullying is an intentional electronic, written, verbal or physical act, or series of acts (a) directed at another student or students, (b) which occurs in a school setting, (c) that is severe, persistent or pervasive, and (d) that has the effect of doing any of the following:

1. Substantially interfering with a student’s education;
2. Creating a threatening environment; or
3. Substantially disrupting the orderly operation of the school.

For example, bullying could be cyberbullying and/or a form of harassment in which the behavior is intended, or perceived to intend, to harm or cause distress to another. It may include, but is not limited to, actions such as verbal taunts, physical aggression, extortion of money or possessions, exclusion from peer groups within school, name-calling and derogatory comments, including any discriminatory statements prohibited by and consistent with the school district’s non-discrimination and harassment policies. Students who experience bullying should tell a trusted adult at school and an adult at home as soon as possible. Students and families have the option to complete a bullying report form. Schools and families will work together to address the issue.

See Policy #220.

Student Records
This section lets parents/guardians and students know of their rights to inspect the records of their child(ren) or themselves and to give consent for disclosure of these records. It also explains the conditions when parent/guardian or student consent is not required for disclosure of information. The parent has the right to write in to administration and request their child(ren) opt out of sharing their child(ren)’s directory information.

The Family Educational Rights and Privacy Act (FERPA) affords parents/guardians and students eighteen (18) years of age or older (“eligible students”) certain rights with respect to student education records.
Parents/guardians and eligible students have the right to inspect and review the school records of their child(ren) or themselves. A request to do so shall be submitted in writing to the building principal, who will comply within 45 days of receiving the request. The principal will make arrangements for access and will notify the parent/guardian or eligible student of the time and place where the records may be inspected.

Upon inspection and review, a parent/guardian or eligible student may request an amendment to the record by identifying in writing the portion of the record believed to be inaccurate or misleading and the reasons, and submitting this to the building principal. If the school decides not to amend the record, the parent/guardian has the right to a hearing.

Prior consent by the parent/guardian or eligible student is required to disclose records. Prior consent is not required to disclose information under the following conditions:

1. To school officials, including teachers who have legitimate educational interests, and clerical personnel responsible for records management
2. To schools in which a student seeks or intends to enroll
3. To Federal, State and local authorities involving an audit or evaluation of compliance with education programs
4. In connection with financial aid for which the student has applied or which the student has received
5. To organizations conducting studies for or on behalf of educational institutions
6. To parents of a dependent student or to an eligible student
7. To comply with a judicial order or subpoena
8. In a health or safety emergency
9. To disclose directory information, which may include, name, grade, school of attendance, extracurricular involvement, and honor roll or award attainment, unless written notification restricting such disclosure is given to the building principal prior to the start of each school year
10. To state or local officials in connection with serving the student under the juvenile justice system

A noncustodial parent is afforded the same rights as a custodial parent, provided there is not a court order, state statute or legally binding document that specifically revokes these rights and which has been provided to the school.

A fee will be imposed for providing a photocopy of the records to the parent/guardian or eligible student.

Complaints regarding violation of rights accorded parent(s)/guardian(s) and eligible students with respect to student records shall be submitted to Superintendent, Allentown School District, 31 South Penn Street, P.O. Box 328, Allentown, PA 18105, in writing. All complaints will be investigated and responded to in writing within a reasonable period of time. If complaints cannot be satisfactorily resolved by the District, complaints that FERPA has not been followed can be filed with the following: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, D.C. 20202-4605.

Suspension/Expulsion
This policy explains actions to be taken when a student is suspended or expelled from class/school. It describes the due process to be observed in regard to informal and formal hearings.

Alternative to Suspension*
Alternative to suspension is a consequence based on school violations whereby students are supervised for a period of time in a structured setting. Students work on classroom assignments, homework help, or social-emotional learning practices as specified by classroom teachers or as defined by their IEP (Individual Educational Program). Students must be informed of the reasons for the suspension and given an opportunity to respond. Suspensions should not exceed ten (10) consecutive days. Parents are to be notified of the reasons for suspension and the length of the alternative to suspension. A Principal or designee may suspend students.

With a five (5)-day of alternative to suspension, the parent/guardian will be offered an informal meeting with the administrator.

Out-of-School Suspension*
Out-of-school suspension is a process by which students are excluded from the learning environment for a specific period of time. Suspensions are legal excused absences, which permit students to make up missed school work. Suspensions cannot exceed ten (10) consecutive days and must have School Board approval. Parents are to be notified of the reasons for suspension and the length of suspension. A Principal or designee may suspend students. Special Education guidelines must also be followed.

* After three (3) days of out-of-school suspension, the parent/guardian is offered an informal meeting with the administrator.

Video/Audio recorders may be placed on any and all buses or schools. All students are subject to being videotaped on the school bus or at school at any time.

The video/audio media are intended for use with respect to issues relating to safety and behavior on the bus and at school. Video/audio media are not intended for general viewing by a student, employee, parent/guardian, or public and shall not be made available for general viewing purposes.

3. Independent Volunteers—who may be alone with or responsible for a student or small group of students.

Each volunteer category has different requirements and clearance approvals. Interested volunteers must meet all requirements and clearances prior to volunteering.

Weapons
This policy prohibits the possession of weapons, facsimiles and/or look-alikes on school premises, at school-sponsored events or when traveling to and from school, with the exception of those belonging to law enforcement personnel and those approved by the school as part of a program.
