Virtual LCTI Student Schedule FULL DAY

Monday	Tuesday	Wednesday	Thursday	Friday
LCTI CTI Courses (8:00 - 10:55) Anytime Learning *Independent core instruction *Virtual simulations *Core curriculum within Schoology *Instructional assistants supporting instruction	**LCTI CTI Courses (8:00 - 10:55)** Anytime Learning *Independent core instruction *Virtual simulations *Core curriculum within Schoology *Instructional assistants supporting instruction	**(8:00-10:55)** **Anytime Learning** *students will engage in core CTI programming through remote learning *Instructional Assistance providing support *Office Hours (as needed) Independent Core instruction served through Schoology platform	**LCTI CTI Courses (8:00 - 10:55)** Anytime Learning *Independent core instruction *Virtual simulations *Core curriculum within Schoology *Instructional assistants supporting instruction	**LCTI CTI Courses (8:00 - 10:55)** Anytime Learning *Independent core instruction *Virtual simulations *Core curriculum within Schoology *Instructional assistants supporting instruction
Student LUNCH - 10:55 - 12:15	**Student LUNCH - 10:55 - 12:15**	**Student LUNCH - 11:25 - 12:30**	**Student LUNCH - 10:55 - 12:15**	**Student LUNCH - 10:55 - 12:15**
LCTI Academic Course Work (12:15 - 2:45) Anytime Learning *Independent Theory CTI Work *Virtual simulations *Core curriculum within Schoology *Instructional assistants supporting instruction Time should be divided into half hour sessions within core content based on LCTI building schedule	**LCTI Academic Course Work (12:15 - 2:45)** Anytime Learning *Independent Theory CTI Work *Virtual simulations *Core curriculum within Schoology *Instructional assistants supporting instruction Time should be divided into half hour sessions within core content based on LCTI building schedule	**LCTI Virtual Support (12:15 - 2:45)** *students will engage in core CTI programming through remote learning *Instructional Assistant Support *Personal contact with CTI instructor *Office Hours (as needed) Independent core instruction served through Schoology platform	**LCTI Academic Course Work (12:15 - 2:45)** Anytime Learning *Independent Theory CTI Work *Virtual simulations *Core curriculum within Schoology *Instructional assistants supporting instruction Time should be divided into half hour sessions within core content based on LCTI building schedule	**LCTI Academic Course Work (12:15 - 2:45)** Anytime Learning *Independent Theory CTI Work *Virtual simulations *Core curriculum within Schoology *Instructional assistants supporting instruction Time should be divided into half hour sessions within core content based on LCTI building schedule
