Construction Update on Route 222 (Hamilton Street)

Construction for the Route 222 (Hamilton Street) bridge, spanning Cedar Creek in the City of Allentown, is now scheduled to begin on January 8, 2018 and is expected to be completed in November 2018 as part of the Pennsylvania Department of Transportation's (PennDOT) Rapid Bridge Replacement Project.

During this time, the bridge will be staged construction, one lane will remain open at all times. An alternating traffic pattern will be controlled by temporary traffic signals.

The span of road is located in front of the Hamilton Family Restaurant and is in close proximity to several district facilities including, Union Terrace Elementary School, Raub Middle School, Allen High School, and the J. Birney Crum Stadium. The below map from PennDOT shows detours using St. Elmo and 21st Streets.
